## **Statement of Compliance with REACH, RoHS, Prop 65, Asbestos, PFOS & Halogen Free**

Dear Customer,

This statement represents that based on all available information known to Bradley GOC up to this date, all duties under the European Union regulation no. 1907/2006 SVHC 19 on the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) regarding the disclosure of Substances of Very High Concern (SVHC) according to Article 33 of the regulation with respect to the all of our identified products have been fulfilled. Bradley is in 100% compliance in that our products do not contain any of the chemicals listed and do not contain Substances of Very High Concern (SVHC) above the threshold value declared reflecting the substances on the 219 SVHC list, effective Candidate List (7.21.2021), Annex XIV and VXII.

Bradley products comply with the IEC 61249-2-21 Halogen-free definition for electronic products: The concentration of Bromine and Chlorine in products is less than 900 ppm respectively and less than 1500 ppm in total.

PFOS and PFHxS are not used in Bradleys' products nor applicable manufacturing processes.

Items produced by Bradley GOC do not contain Asbestos in any form. Bradley GOC certifies that asbestos is not used in the processing of, or contained in, any of its products or packaging materials.

Bradley products do not contain chemicals which are listed on California's Safe Drinking Water & Toxic Enforcement Act of 1986. (Jan 03, 2020 update.) This Act, commonly known as Proposition 65 (Prop 65), establishes a list of chemicals which the state of California's risk assessment process has determined to present a risk of cancer, birth defects or other reproductive harm. Be assured, Bradley GOC will continue to monitor the Proposition 65 regulations for any new chemicals. Bradley GOC will compare any newly listed chemicals with the raw materials in our finished product and communicate this information to our customers.

In addition, the materials/substances used by Bradley Coatings do not contain any reportable materials listed as prohibited in the 2002/95/EC for Restriction of Hazardous Substances (RoHS), the revised and recast Directive 2011/65/EC (RoHS 2) and the latest amendment Directive (EU) 2015/863 requirements (RoHS 3).

Regards,

The Bradley Group of Companies
